

# MODEL ZXLF-L-08-GS-MH5

WET LOCATION

## SMALL LED FLOOD LIGHT

- The ZXLF-L-08 is a very compact quality lighting solution for flood illumination in an architectural or landscape application. Designed with a modernist edge, it is machined from anti-corrosion silicone magnesium aluminum alloy.
- IP67 rated for indoor/ outdoor/ wet location application.
- Ozone, aging and weather resistant silicone shore 70 and 40 O-rings are used to hermetically seal and protect the fixture
- Stainless steel hardware
- Cone shape glare shield for glare control.
- Compact 2-prong stainless steel stake
