HK LIGHTING

TM07

ACCESSORIES | MOUNTING / Tree Mount

FEATURES

· Robust tree mounting box with ample wiring compartment.

· Machined from solid billet 6061-T6 corrosion resistant aluminum.

· Comes with flexible stainless steel strap or Nylon strap.

· TM07-120 for line voltage, TM07-LV for low voltage installation.

Robust Single Tree Mounting Box: TM07-JBS-NSS-SST

SPECIFICATIONS

Materials
Strap: Flexible stainless steel strap.
Splice Box and Buckles: Machined from
billet 6061-T6 corrosion resistant aluminum.
Hardware: Stainless Steel 304.

Finish
Polyester powder coat with RoHS compliant
procedures.

Mounting
Accepts all 1/2"-14 NPS male fitting.

Quick Release Pin
Allows the "strap" to be mounted on the
tree first without the fixture. Wire
connetction can be made at ground level.
Then mount fixture/splice box assembly
on to the pre-hung tree strap using the
quick release pin.

*Robust Twin Tree Mounting Box: TM07-JBT-ABR-SST*
