

CB5.5

ACCESSORIES | MOUNTING / SURFACE MOUNT

FEATURES

- Aesthetic, weatherproof round surface mount box.
- Allows two or four conduit entries from the side.
- Machined from solid billet 6061-T6 corrosion resistant aluminum.
- Can accommodate a small power supply unit.

5" Weatherproof Round Surface Mount Box: CB5.5-AAC

SPECIFICATIONS

Materials

Machined from solid billet 6061-T6 corrosion-resistant aluminum. Available in 316 stainless steel or 360 brass upon request.

Finish

Aluminum materials are anodized and then powder coated for a robust, marine-grade finish. Stainless steel and brass models are provided with brushed surface.

Mounting

Accepts all 1/2"-14 NPS male fittings of HK Lighting fixtures.

Side Entries

Can accommodate 2 or 4 Standard 1/2" Knockouts.
